A DEMOCRATIC SCHEME

To Work Up an Independent Movement in Belmont County Will Not Work—Republicans Officials' Good Record.

The story in a Democratic paper about an independent ticket in Belmont county is purely a pipe dream. There has not been the slightest complaint about the administration of the very efficient corps of county officials, every man of whom is painstaking and careful in his conduct of public affairs, and this fact has helped the Republican plurality in the county to grow to such magnificent proportions. A few ambitious Democrats may find comfort in carping criticism, but there has never been a word of complaint about the ability and integrity of a solitary official of Belmont county, from the judge of the common pleas bench to the constable. Every one of them fills his place as the people of the county desire it to be filled, and the vision of the story writer was simply a horrid nightmare, produced by the returns of last Tuesday.

The Railroad Condemned.

The projects of the new coal works south of Bellaire, Messrs. Morgan, desired a trestle over the Bellaire, Zanesville & Columbus tracks, at their plant, and the delay of the officials of that road in giving an answer to their request led them to proceed with the work Sunday night. They got the trestle up without being enjoined, but the railroad people proceeded to tear it down later in the night. The trestle did not in any way interfere with the road; not a support to it was even placed on their ground, and the action of the railroad company in pulling down the work is universally condemned. Messrs. Morgan are spending considerable money to open new mines, and the people are anxious to see such things go on unhindered, especially when they do not hinder or impede the rights of others.

Don't Want to Reorganize.

There are many Democrats over the river who found it quite easy to desert from Cleveland when they thought the Bryan star was in the ascendancy, and they are now indulging in severe denunciations of the old-line Democratic effort to reorganize. But these same Democrats will find it just as easy to get in line with the reorganized party as they did to desert their former patron saint.

BETHANY VS EAST END

Is the Title of the Foot Ball Argument Wheeling People Will Witness on the Inland Grounds Saturday—Will be a Great Contest.

The fast Bethany college eleven will meet the big East End Athletic Club eleven of Pittsburgh, on the Wheeling gridiron next Saturday. Hard practice is being indulged in by the Bethany team. Coach Sweeney is devoting his entire time to perfecting the interference and when the "varsity" meets the fast East End aggregation next Saturday, it will be in the pink of condition, although the team may be somewhat weakened by the absence of Will Edwards, the star full-back and line breaker. Edwards is suffering from a broken finger received in Pittsburgh, November 3rd.

Quarter Soffel may also be out of the game Saturday, on account of injuries received in the same game, but Coss is equally as good at quarter, and will no

ARE YOUR KIDNEYS WEAK?

Weak or Diseased Kidneys Poison the Blood, Break Down the Entire System and Bring on Bright's Disease.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, All Our Readers May Have a Sample Bottle Sent Absolutely Free by Mail.

Laboratory where Swamp-Root, the World-Famous Kidney Remedy, is Prepared.

You know what happens to a sewer when it becomes clogged, don't you?

Do you know what happens to the human system when the kidneys become clogged? They are unable to throw out the impurities from the blood and become infected with poisons; they decay, fall apart, and pass out in the urine; the blood, unfiltered, carries the poison all through the system and if not checked death follows. The kidneys are the scavengers of the human system.

When your kidneys are not doing their work, some of the symptoms which prove it to you are pain or dull ache in the back, excess of uric acid, gravel, rheumatic pains, sediment in the urine, scanty supply, scalding irritation in passing it, obliged to go often during the day and to get up many times during the night to empty the bladder; sleeplessness, nervous irritability, dizzy, irregular heart, breathlessness, yellow, unhealthy complexion, puffiness of the face, dark circles under the eyes, sometimes the feet, limbs or body bloat, loss of ambition, general weakness and debility.

When you are sick or "feel badly," the first thing you should do is to afford aid to your kidneys by using Dr. Kilmer's Swamp-Root, the great kidney remedy.

In taking Swamp-Root you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

Perhaps you are in doubt about your kidneys and want to find out. Here's a simple test. Take from your urine passed when you arise in the morning

about four ounces; place it in a glass bottle and let it stand for twenty-four hours. If, upon examination, you find any settlements or sediment, if it is milky or cloudy, or if particles float about in it, disease has gotten a foothold in your kidneys and nature is calling for help.

If you have the slightest symptom of kidney or bladder trouble, or if there is a trace of it in your family history, you would profit by taking Swamp-Root every now and then as a preventive, and thus absolutely forestall kidney and bladder troubles.

The famous new discovery, Swamp-Root, has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief, and has proved so successful in every case, that a special arrangement has been made with the Intelligencer by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail; also a book telling all about kidney and bladder diseases, and containing some of the thousands of testimonial letters from men and women reclaimed to lives of happiness and usefulness by the means of Swamp-Root, the great kidney remedy.

Swamp-Root is pleasant to take and is so remarkably successful that our readers are advised to write for a free sample bottle, and to be sure and state that you read this generous offer in the Wheeling Daily Intelligencer when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

If you are already convinced that Swamp-Root is what you need you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere.
